God made the world in six days.

God planned a wonderful world for people to live in.

At first the earth did not have any shape.

The earth was as dark as the darkest night.

Then God moved, and the earth took shape.

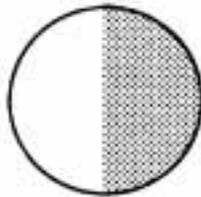

God spoke and there was light.

Every time God spoke, something was created.

Imagine you are watching God create the world.

The story of creation is from Genesis in the first part of the Bible.

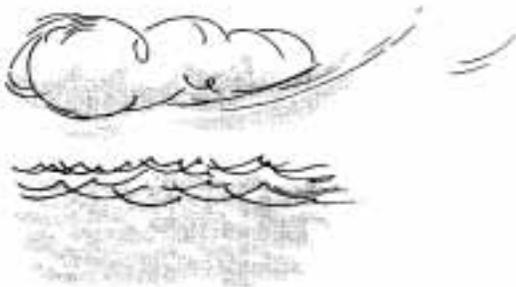

The first day

God said, "Let there be light."

God made the day and night.

The second day

God said, "Let the vapors separate
to form the sky above
and the earth below."

God separated sky from water.

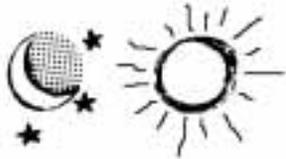

The third day

God said, “Let the water
beneath the sky be
gathered into oceans.”

God made land, sea, trees, and flowers.

The fourth day

God said, “Let there be
bright lights in the sky.”

God made sun, moon, and stars.

The fifth day

God said, “Let the waters
teem with fish and . . .
skies be filled with birds.”

God made all fish and birds.

The sixth day

God said, “Let the earth
bring forth every
kind of animal.”

God made all the animals.

God said, “Let us make man—
someone like ourselves.”

God made the first man and woman.

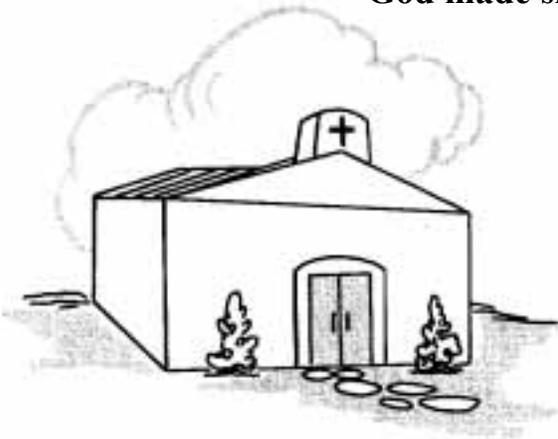

God made a good world for you to live in.

God looked at everything He had made.
Everything was very good. The world was beautiful.
God was very happy.

The seventh day

God made six days for work and one day for rest.

On the seventh day God rested.
He made the seventh day a day of rest.
God made the day of rest for us.

Six days a week we work.
The seventh day we rest.
We go to God's house
on our day of rest.

Do you go to God's house?

In God's house we talk with God and learn about Him.

We talk with God at home too when we pray.

Are you glad God made this beautiful world?

Have you thanked God for making you?

Learn this prayer and say it to God.

Prayer

Thank You, God, for all the world,
For making all the things I see,
For days of work and a day of rest;
And thank You, God, for making me.
