Student Record

To be used with Student Book

HOW TO USE YOUR STUDENT RECORD

Open your book *God Loves You*.
Read the letter titled “Dear Student”
at the beginning.
Study Lesson 1.
Do whatever it asks you to do.

Now open to your Student Record.
Do whatever you want to do in the Fun-to-Do section.
Print clearly your name and address.
Answer the questions about the lesson.

If you cannot answer a question,
read the lesson again in *God Loves You*
until you find the answer.
Then write it in your Student Record.

When you finish Lesson 1
in your Student Record,
go to Lesson 2 in *God Loves You*.
Do it and all the lessons
the same way you did Lesson 1.

If you study in a group,
your teacher may want to look
at your work one lesson at a
time and comment on it.
It will then be promptly
returned to you.

If You Study by Correspondence

After you finish all the lessons, address an envelope to the office in your area. (You will find it inside the front cover of your book.)

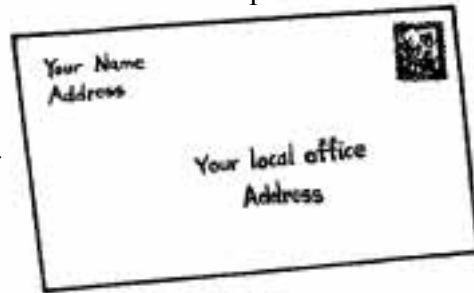

Write your own name and address in the upper left-hand corner of the envelope.

Look over the pages for all of the lessons in your Student Record to be sure you have filled them in right.

Then put them into the envelope.

Put the right postage on the envelope and mail it. The lessons will be graded and sent back to you.

You will also receive a certificate for having studied the course. (If you study in a class, the teacher will tell you what to do.)

Have fun now as you study *God Loves You*.
