PREFACE

Jesus Christ was born almost 2,000 years ago. Why should you study a course about Him? What difference does it make to you who He is? This question is vital. You will find the answer to it in these lessons.

Today, more people than ever before in the history of the world are talking about Jesus Christ. Millions claim to be His followers. Why? Whatever your religion may be, you owe it to yourself to know something about Jesus—His life, His teachings, and His claims.

Possibly you are studying this course just to satisfy your curiosity about the life and teachings of Jesus. Or perhaps you have accepted Him as your Savior and want to know Him better. It could be that you are looking for reality in your spiritual life, you want to strengthen your faith, or you want to see if Jesus holds the solution for life's problems.

Whatever your purpose is, keep it in mind as you study. The more you apply the lessons to your own life, the more good you will get out of them.

THE CHRISTIAN LIFE SERIES

Who Jesus Is is one of 18 courses in this practical discipleship program for new believers. The Christian Life Series is a study to help students grow in their relationship with Christ, interact with the Word of God, and better understand God's purposes for their life.

Students will study basic Christian topics under six reoccurring themes. The courses are conversational in style and easy to read. The following chart illustrates how the units of study are organized for the Christian Life Series.

Before You Begin

How to Use this Book

If you have studied other Christian Life courses, you may have noticed that this book is slightly larger and has a new look. This introduction will explain new features that have been added to make the course easier to study. Carefully read the introduction.

This book is divided into lessons instead of chapters. Each lesson begins with two important pages. After the lesson number are the title and a short introduction to the lesson. On the next page is **The Plan**. This is the outline or plan for the lesson. It is a list of what you can expect to study in the lesson.

Next are **The Goals**. The goals are guidelines for what you should be able to do after studying the lesson. Read the goals carefully; they will help you focus on the most important points in the lesson.

To help you reach your goals, each lesson has questions and activities. The subheading **Application** signals you to answer questions on the material learned. Do not skip over this part. Writing out the answers will help you apply what you have learned. Most of the questions can be answered right in your book. If there is not enough room to write your answers in the book, write them in a notebook or journal that you can use to review the lessons later.

After answering a question, check the answer at the end of the lesson in the section marked **Check Your Answers**. Do not look ahead at the answers until you have written your own answer. This will help you remember what you study much better. Compare your answers to those given at the end of the lesson; then correct those you did not answer correctly. The answers are in a jumbled order so that you will not easily see the answer to the next question.

How to Answer Study Questions

This course uses many different kinds of questions. Below are samples of the three most common types and how to answer them.

MULTIPLE-CHOICE

A multiple-choice question asks you to choose an answer from the ones that are given.

Example

- 1 The Bible has a total of
- a) 100 books.
 - b) 66 books.
 - c) 27 books.

The correct answer is b) 66 books.

In your study guide, make a circle around b) as shown here:

- 1 The Bible has a total of
- a) 100 books.
 - b) 66 books.
 - c) 27 books.
 - d) 2 books.

TRUE-FALSE

A true-false question or item asks you to choose which of several statements are TRUE.

Example

- 2 Which statements below are TRUE?
- a) The Bible has a total of 120 books.
 - b) The Bible is a message for believers today.
 - c) All of the Bible authors wrote in the Hebrew language.
 - d) The Holy Spirit inspired the writers of the Bible.

Statements **b)** and **d)** are true. You would make a circle around these two letters to show your choices, as you see above.

MATCHING

A Matching question or item asks you to match things that go together, such as names with descriptions, or Bible books with their authors.

Example

3 Write the number for the leader's name in front of each phrase that describes something he did.

- | | |
|---|-----------|
| ..1... a) Received the Law at Mt. Sinai | 1. Moses |
| 2... b) Led the Israelites across the Jordan | 2. Joshua |
| 2... c) Marched around Jericho | |
| ..1... d) Lived in Pharaoh's court | |

Phrases **a)** and **d)** refer to Moses, and phrases **b)** and **c)** refer to Joshua. You would write 1 beside **a)** and **d)**, and 2 beside **b)** and **c)**, as you see above.

Suggestions for Studying

1. Set aside quiet and regular times for your study. It will be easier to concentrate if study is part of your daily habits.
2. Pray as you begin each study session. With an open Bible, the Holy Spirit, and this course, you are in the classroom of the Holy Spirit. Ask the Lord to help you understand the lesson and apply it to your life.
3. Carefully read the lesson introduction, the lesson plan, and the goals.
4. Begin to carefully read the lesson. Look up Bible references and take any notes that may be helpful. The Bible verses reinforce important points in the lesson.
5. Answer the study questions in the spaces provided. Use your notebook or journal when necessary.

6. Think about what you have learned and look for ways to apply it in discussion with family and friends, in a Bible study, etc.
7. Take your time. No bell will ring to force you to move on to new material.

Unit Evaluations

At the end of this course, you will find the Unit Evaluations. Questions and Answer Sheets are clearly marked for each unit. Carefully follow the directions given. You should complete and send your answer sheets to your instructor for corrections. If you are not studying with a Global University office you will still benefit by completing the Unit Evaluations.

Ways to Study this Course

This course has been written so that you can study it by yourself. We like to say that the teacher is in the book. However, you may also study this course in various group settings such as mid-week Bible studies, learning centers, home groups, and youth programs. This course can be used as a correspondence or resource tool for prison ministries as well as special ethnic or other community outreach programs. You will find both the content and study methods excellent for these purposes.

If you study this course by yourself, all of your work can be completed by mail. Be sure to use the address of your Global University office. If you are studying in a group or through a Discipleship Training Center, be sure to follow any additional instructions that your instructor may give.

In addition, your church may partner with Global University to open a Discipleship Training Center. Visit us online at www.globaluniversity.edu for more information and start up helps.

Certificate

Unit or individual certificates are available to students upon successful completion of our courses. For instance, if

you are studying through a National Office or Discipleship Training Center, you may receive a certificate from your Global University instructor. If you are studying on your own, you may mail your completed Unit Evaluation Answer Sheets to your local office. National Offices and Discipleship Training Centers may order certificates through the International Office or through GPH in the USA.

About the Author

Most of the material in this course originally appeared as a series of radio messages by Rev. Elton G. Hill. They were widely distributed and appreciated in Sri Lanka and the Middle East. We have adapted and expanded these messages so that they give you a complete and basic study on the person and work of Jesus Christ.

God bless you as you study *Who Jesus Is*. May your heart be opened to the truths in God's Word.
