PREFACE

Now that you have accepted Jesus into your heart and He has become your personal, living Savior, many questions may have come to your mind. What is the Christian life all about? What am I supposed to do?

Well, you are not alone. Many people before you have had the same questions. One of them even asked Jesus the very day he met the Lord, “What else do I need to do?” (Matthew 19:20). Jesus answered, “Come and follow me.”

Jesus is our example in taking the good news to all people everywhere. He wants us to share His good news wherever we are. No matter who you are, you have been chosen by God to tell others of your experience with Jesus Christ and His saving power. That is personal evangelism!

This study course will help you to understand the true nature of personal evangelism. It will enable you to share Christ with the people around you in a more convincing, powerful, and positive way. It will help you to share your experience with people of backgrounds different from yours. A modern method of teaching yourself helps you to learn the principles easily and put them into practice immediately.

THE CHRISTIAN LIFE SERIES

Personal Evangelism is one of 18 courses in this practical discipleship program for new believers. The Christian Life Series is a study to help students grow in their relationship with Christ, interact with the Word of God, and better understand God's purposes for their lives.

Students will study basic Christian topics under six reoccurring themes. The courses are conversational in style and easy to read. The following chart illustrates how the units of study are organized for the Christian Life Series.

Before You Begin

How to Use this Book

If you have studied other Christian Life courses, you may have noticed that this book is slightly larger and has a new look. This introduction will explain new features that have been added to make the course easier to study.

If you are new to Global University, you may be wondering why this book is divided into lessons instead of chapters. This book is really a course put together in such a way that you can study it on your own. You need to carefully read this introduction so you will be able to successfully complete this course.

Each lesson begins with two important pages. After the Lesson number, you will see the title and then read a short story introduction to the *lesson*. On the next page is *The Plan*. This is the outline or plan for the lesson. It is a list of what you can expect to study in the lesson.

Next are *The Goals*. The goals are what you will be able to do after studying the lesson. Read these carefully. The goals will help you focus your attention on the most important points.

To help you reach your goals, each lesson has questions and activities. When you see (picture of a pencil) *Application*, it is time for you to answer questions. Do not skip over this part. Writing out the answers will help you apply what you have learned. Most of the questions can be answered right in your book. If there is not enough room to write your answers in the book, write them in a notebook or journal that you can use to review the lessons later.

After answering a question, you can check the answer at the end of the lesson. You will see *Check Your Answers*. Do not look ahead at the answers until you have written your own answer. This will help you remember what you study much better. Compare your answer to those given at the end of the lesson. Then correct those you did not answer correctly. You will notice that the answers are in a mixed-up order so that you will not accidentally see the answer to the next question.

How to Answer Study Questions

This course uses many different kinds of questions. Below are samples of the three most common types and how to answer them.

MULTIPLE-CHOICE

A multiple-choice question asks you to choose an answer from the ones that are given.

Example

- 1 The Bible has a total of
- a) 100 books.
 - b) 66 books.
 - c) 27 books.

The correct answer is b) 66 books.

In your study guide, make a circle around b) as shown here:

- 1 The Bible has a total of
- a) 100 books.
 - b) 66 books.
 - c) 27 books.
 - d) 2 books.

TRUE-FALSE

A true-false question or item asks you to choose which of several statements are TRUE.

Example

- 2 Which statements below are TRUE?
- a) The Bible has a total of 120 books.
 - b) The Bible is a message for believers today.
 - c) All of the Bible authors wrote in the Hebrew language.
 - d) The Holy Spirit inspired the writers of the Bible.

Statements **b)** and **d)** are true. You would make a circle around these two letters to show your choices, as you see above.

MATCHING

A Matching question or item asks you to match things that go together, such as names with descriptions, or Bible books with their authors.

Example

3 Write the number for the leader’s name in front of each phrase that describes something he did.

- | | | |
|-------|--|-----------|
| . 1 . | a) Received the Law at Mt. Sinai | 1. Moses |
| 2 . | b) Led the Israelites across the Jordan | 2. Joshua |
| 2 . | c) Marched around Jericho | |
| . 1 . | d) Lived in Pharaoh’s court | |

Phrases **a)** and **d)** refer to Moses, and phrases **b)** and **c)** refer to Joshua. You would write 1 beside **a)** and **d)**, and 2 beside **b)** and **c)**, as you see above.

Suggestions for Studying

1. Set aside quiet and regular times for your study. It will be easier to concentrate if study is part of your daily habits.
2. Pray as you begin each study session. With an open Bible, the Holy Spirit, and this course, you are in the classroom of the Holy Spirit. Ask the Lord to help you understand the lesson and apply it to your life.
3. Carefully read the lesson introduction, the lesson plan, and the goals.
4. Begin to carefully read the lesson. Look up Bible references and take any notes that may be helpful. The Bible verses reinforce important points in the lesson.
5. Answer the study questions in the spaces provided. Use your notebook or journal when necessary.

6. Think about what you have learned and look for ways to apply it in discussion with family and friends, in a Bible study, etc.
7. Take your time. No bell will ring to force you to move on to new material.

Unit Evaluations

At the end of this course, you will find the Unit Evaluations. Questions and Answer Sheets are clearly marked for each unit. Carefully follow the directions given. You should complete and send your answer sheets to your instructor for corrections. If you are not studying with a Global University office you will still benefit by completing the Unit Evaluations.
